Office of the R.L.A.

Rules 10 of the Saranjam Rules provides that whenever it appears that Saranjam or its revenues have passed by attachment or any other process of Civil court into the hands of a person other than the Saranjamdar, Government will ordinarily direct the Saranjam to be resumed and pass such orders as to its regrant or other disposal as may seem to them fitting. The word 'could 'ordinarily' shows that Government need not resume the shares from the hands of the non-Saranjamdars forthwith, but may do so subsequently in conjunction with any other order of disposal made by Government in respect of the shares. The words"and pass such orders as to its regrant or other disposal as may seem to them fitting" give Government wide powers as to the time and manner of resuming and regranting or disposing of the shares which are in the hands of a non-Saranjamdar. In this view, the second part of G.R.,P. R.D. No,821,dated 8th May 1936 appears to be free from legal objection.
